

INSTITUTE OF AGRICULTURAL RESOURCES
AND REGIONAL PLANNING , CAAS

Liu Niantang

Assistant Professor

86-18514019961

liuniantang@caas.cn

Innovation Team of Agricultural Remote Sensing, IARRP, CAAS

Ziyuan Building, 12 Zhongguancun Nandajie Street, Haidian District, Beijing, China

Research Interests

- Deep learning in agriculture
- SAR applications
- Crop classification
- Biophysical features retrieval

Publication

Dynamic power management scheme based on software behavior prediction(CN), Computer Engineering, 2015, DOI:10.3969/j.issn.1000-3428.2015.06.049
